

## Program Authorization

The tenant residing in the property listed below has been approved for assistance through the City of Colorado Springs' Architectural Barrier Removal program. This program is available to income qualified residents of the City to carry out modifications to individual dwelling units. Typical modifications include installation of entry ramps, replacement of door thresholds and hardware, door widening, grab-bar installations, plumbing fixture replacements, and any other measures recommended by a medical professional familiar with the tenant's condition. All work conducted under this program is funded by a grant from the Community Development Block Grant (CDBG) program and will be carried out by licensed contractors with the appropriate permits when required. The work will be done at no cost to you and will result in permanent modification of the dwelling unit listed below. By signing below, you acknowledge that you have received a copy of the proposed modifications and that you authorize the City to proceed with the work.
